

HARVIA HLU

HL9U1

The Harvia Virta heater's strong structure and exceptional ease of maintenance make it excellently suitable for those who use the sauna often and like to enjoy the steam for long periods of time.

Advantages

- A reliable heater with sturdy structure for home sauna and professional use
- The large number of stones guarantees soft and abundant steam. Efficient air circulation heats the sauna very quickly
- Sleek and modern design
- The heating elements are separated from the stones, which results in a long heating element life span
- The maintenance hatch on the front enables quick and easy maintenance without touching the stones
